

A dramatic landscape featuring several wind turbines silhouetted against a vibrant sunset sky. The sun is low on the horizon, creating a bright orange and yellow glow that transitions into a deep blue at the top. Wispy white clouds are scattered across the sky. The turbines are of varying heights and are positioned across the frame, with the largest one in the foreground on the right. The overall mood is clean, modern, and sustainable.

# NORTH SWEDEN CLEANTECH

# North Sweden Cleantech

North Sweden Cleantech is an innovation and export platform within green technology, clean energy and sustainable solutions in northern Sweden.

Together we are building the climate-smart innovation site of the future.

## Focus areas

---
